

September 8, 2008

We are pleased to announce that ECOH has partnered with NorthPointe Health and Wellness Campus to ensure that you have access to high quality, affordable health care. We were successful in negotiating preferred rates for NorthPointe Services including NorthPointe Immediate Care.

NorthPointe Immediate Care is staffed by Board Certified Emergency Physicians who are able to treat you and your entire family with the highest level of care. The NorthPointe ER doctors are trained to treat all ages, from newborn infants to geriatrics. They provide emergency-type services for everything from broken ankles or cuts, to flu or other mild to moderate injuries, illnesses, or medical events.

NorthPointe services have been designed to provide you and your family with emergency doctors, without the emergency room wait. The average total time for treatment at NorthPointe is less than 1 hour. NorthPointe provides full-service diagnostic support (laboratory and imaging) to provide patients with the comprehensive testing necessary to make a quick and accurate diagnosis. The all-digital imaging includes: CT, MRI, Ultrasound and General X-Ray.

NorthPointe Immediate Care is open 7 days a week, from 9:00AM - 9:00PM. Due to our new partnership and preferred rates, NorthPointe Immediate Care costs are approximately ½ those of the typical Emergency Room.

NorthPointe Health and Wellness Campus is located at 5605 East Rockton Road, Roscoe, Illinois. For more information on NorthPointe Services you can call (815) 525-4000 or go to [www.NorthPointeHealth.org](http://www.NorthPointeHealth.org).

If you have questions about your ECOH provider network please call 800-990-3204.
